Dear Sirs,

In pursuance of the scheme of SPARSH, I am happy to contribute a fixed donation of ₹500/- (Five Hundred only) per month for a minimum period of 12 months. As desired by you, I am enclosing herewith Debit Mandate Form, in duplicate, for NACH/ECS/DIRECT DEBIT duly filled in and signed by me.

I note that SPARSH is a new long term scheme. However, a window is provided to come out of the scheme. In case I went to opt out of the scheme after 12 months, I shall instruct my Banker accordingly in writing with an intimation to MPM.

I am enthused to note that MPM has embarked upon providing support to life saving initiatives of national significance by regularly collecting small donations from thousands of community members.

You are kindly requested to email me the receipt with 80G exemption certificate every month. I give my contact details for your records.
